These rules are to be read in conjunction with Section "A" Competition General Rules, Section "B" – Track Events and Section "C" – Field Events and take precedence over the General Rules

## 1.1 Eligibility

- i. All athletes must be registered with LANSW.
- ii. LANSW athletes can only enter the Zone Championships for the Zone containing their centre. "Individually registered athletes" can only enter the Zone Championships for the zone to which they have been allocated, based upon their place of residence. Where direct entry as per 1.2 ii below, has been approved for a region, LANSW athletes may only enter the region containing their centre (or zone for individually registered athletes).

### iii. Age divisions:

Zone U7-U17

Region U8-U17

State U9-U17

- iv. Competitors must compete in their own age group.

## 1.2 Entry to Zone and Progression to Region

- i. Athletes may only compete in one LANSW Zone Championship in a season. Athletes who have entered/competed at a Zone Championships may not also enter/compete at a Regional Championship via direct entry and vice versa.
- ii. A maximum of 4 competitors from each centre (or a greater number at the discretion of the Zone) in age groups from U7 to U11 are allowed in each event, and no competitor will compete in more than 4 events, excluding the relays.

- iii. In the U12 to U17 age groups, there is no restriction on the number of competitors a centre may enter in an event; however, no competitor will compete in more than 6 events, excluding the relays.

- iv. Athletes must compete at and qualify for LANSW Region Championship via a LANSW Zone Track & Field Championship unless all zones within a region have agreed that 1.2 iii applies (U12 to U17 only). The number of entries per Zone will be based upon the number of Zones in the Region, which is: -

· 2 zones = first 6 in each zone plus next best 4 clear final performances over both zones;

· **3 zones = first 4 in each zone plus next best 4 clear final performances over all zones;**

· 4 zones = first 3 in each zone plus next best 4 clear performances over all zones.

### Note:

- Any places at a zone not filled by automatic progression will not be filled by additional next best performances from the other zones.
- The centre must forward entries in the approved format to the zone coordinator for all athletes representing their centre. Little Athletics NSW must forward entries for "individually registered athletes" to the zone coordinator.

### v. Direct Entry to Region (U12 to U17)

Athletes are permitted direct entry into Regional Championships without having to compete at a Zone Championships, providing the following conditions are met: -

- All Zones within a Region agree that direct entry to region will be the only option for the U12 to U17 athletes within their zone. This agreement must be notified to Little Athletics NSW by 30 June prior to the relevant Regional Championships and is irrevocable for that season.

- There is no restriction on the number of athletes from each centre that may enter/compete in each individual event.

- No competitor may compete in more than 6 events, excluding relays.

- No qualifying events can be conducted for those age groups at any of the relevant zones.

- Region entries must be through a centre on the approved form. Individually registered athletes can enter using the approved form.
